II REFERENCES

References can be provided upon request.

II MY EXPERIENCE

Experience Designer

Qvantel May 2021 – Present

Lead the UI, UX, CX and EX within the area of Sales & CRM tools. Maintained company patterns and design systems. Created interactive prototypes with HTML/CSS/JS. Analyzed user behaviour data via Google Analytics and decided on its collection and presentation. Drove product improvements through analysis of user data, research and concept design.

UX Developer

Qvantel Jan 2020 – May 2021

Designed the UI and UX for CRM tools. Created interactive prototypes with HTML/CSS/JS.

Software Developer

Qvantel Sep 2019 – Jan 2020

Implemented front-end and UI. Supported the UX designers in prototyping with HTML and JavaScript.

Software Developer Intern

Ericsson May 2019 – Aug 2020

Lead the UI development in a small team and internal project.

II LANGUAGES

Fluent in Swedish (native) and English.
